COVID-19 Updates – Coming Back to Central

Thank you to the over 50 who responded to the survey sent out last week about “coming back” to in-person activities. Results can be made available for those who would like them, but for the time being, we are pleased to announce that we are preparing for the resumption of in-person activities at Central! We are anticipating:

- 1) Beginning the week of June 29, small groups and committees will be able to meet in the building again, and the worship spaces will be made available at designated times during the week for family prayer and vigil time.
- 2) Beginning the week of July 5, we will resume in-person worship.

Having said this, three (3) other points are significant to make here: first, there will be guidelines for how to use the building that are based on CDC guidelines and (obviously) different than how we all interacted with the building, and one another, prior to March 22. Secondly, we will not be able to come back to all three (3) services right away, due to cleaning in the sanctuary. The schedule for which services will be in-person will be forthcoming. Lastly, and most importantly, we will be continuing the live-streaming of all three services regardless of our in-person worship schedule. In the meantime, if you have any questions, please don't hesitate to contact central@cccdisciples.org.
