Dear Parent/Guardian:

The Illinois General Assembly passed laws requiring that public schools notify parent guardians and school employees at least 48 hours prior to any pesticide applications on school property. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobial agents (such as disinfectants, sanitizers, or deodorizers), insecticide baits, and rodenticide baits.

Central Christian Church has therefore established a registry for people who wish to be notified in the event it becomes necessary to apply a pesticide on school property. Please complete the form below and indicate if you **do** or **do not** wish to be notified and submit it to Central Christian Church, 650 W. William St., Decatur, IL 62522 Attn: Scott. An integrated Pest Management Statement copy may be obtained in the church office. You only need to fill out one form if you have more than one student in the same building.

NO, I DO NOT WISH TO RECEIVE NOTIFICATION BEFORE PESTISIDES ARE APPLIED ON SCHOOL PROPERTY
If no, please complete your name and your student's name.

YES, I WISH TO RECEIVE NOTIFICATION BEFORE PESTISIDES ARE APPLIED ON SCHOOL PROPERTY
